Just left a message on your cell too...

I would like to confirm tomorrow's briefing for Newark, but I don't have any contact information – would you please either let me know that 4/3 at 3pm is still OK for the Newark Mayor's office, or send me contact information so that I can call myself? Also, I would like to know if they would prefer a projected presentation or handouts?

Ray asked me to get back to you on the Newark briefing on Wed, 4/3 at 3pm. We can make that. Should I be calling the Mayor's office to confirm and to ask if they would prefer a projected presentation or handouts? If so, please send me contact information for the Mayor's staff.

Thanks.

Can you do a Newark briefing at 3 pm on the 3rd?

The Mayor's staff would like to be briefed first and then are hoping to do a subsequent briefing for the City Council so that they can possibly do a resolution in support of the FFS.

Thanks so much.

Hudson and Bergen? Ray has worked with Bergen County on the Lyndhurst and N Arlington ball fields and park sampling. Essex County Regional Health Commissioner Sandy Harris is the Cty point of contact for Lyndhurst removal project. But yes, Joe D. Would be great to get on his schedule.

We are working now with Newark to get dates from them. Essex County Exec would be key. Have you ever spoken to the Hudson Cty or Bergen Cty execs outside of the letters?

We are going to start splitting up the team to cover the briefings. One, maybe two, persons from EPA. Any suggestions for who else we can brief during the first few weeks of April? Harrison? Belleville? Essex County Exec? Newark?

OK, what team do you usually bring? Ray, do those dates work for you?

Hi Dave and Ray

The Mayor of Kearny and his staff would like a briefing on the Passaic River clean-up. He has provided the following dates for availability:

Mayor Santos asked me to forward a few available dates for the meeting with EPA reps on the Passaic River clean-up plan. April 15th, 17th or 18th in the morning are all open on the Mayor's calendar. 10:30 am is usually a good time to start.

Please let me know if you would like to confirm with his staff directly or I am happy to help facilitate setting up this meeting. Debbie
